

3rd Event of the Pretoria AV Club

All AV enthusiasts are invited to a fun day of making their own audio-visuals on Saturday 25th September 2010. We will start at 9h00 and try to finish by 16h30.

The host camera club for this event is Magalies Foto Fun Club. They have booked the hall at Irene Homes for us and will be providing a light lunch and other refreshments during the day. The cost is R100.00 per person, payable at the door. Please confirm your attendance with cedric.crichton@yahoo.com to facilitate catering.

We want teams from the camera clubs in our catchment area (all PSSA North Gauteng clubs as well as Alberton, Sandton and any other club within striking distance) to make AVs during the day. Teams of two to five photographers will each plan, script-write and make a show for us to enjoy at the end of the day. There can be more than one team from a club and if you can't raise enough interest to make a team, come along on your own and join another team. At the end of the day we will project all the masterpieces and provide comments. There will be help at hand during the day when you get stuck.

Each team needs:

- Digital camera and means of downloading images to their computer
- Computer/laptop with photo-editing software (Photoshop) and AV program like ProShow or Pictures to Exe
- Speakers, if possible
- Long extension lead

We will provide a microphone for voice-overs, music tracks, some images and audio-editing software for those that need it.
